**BEFORE THE
SURFACE TRANSPORTATION BOARD**

Docket No. AB-1068 (Sub-No. 3X)

**MISSOURI CENTRAL RAILROAD COMPANY
- ABANDONMENT EXEMPTION -
IN CASS, PETTIS, BENTON, MORGAN, MILLER, COLE, OSAGE, MARIES,
GASCONADE, AND FRANKLIN COUNTIES, MISSOURI**

NOTICE OF PROPERTY TRANSFER

The Missouri Central Railroad Company (“MCRR”) and the Missouri Department of Natural Resources (“MDNR”) previously informed the Surface Transportation Board (“Board”), on December 17, 2019, that they had executed an Interim Trail Use Agreement (“ITUA”) for rail-banking of the rail line subject to this proceeding. In that notice, the parties also informed the Board that they would provide further notice once the property transfer had actually occurred. With this notice, MCRR and MDNR hereby notify the Board that MCRR conveyed the subject property to MDNR on December 14, 2021. This rail line traverses Cass, Pettis, Benton, Morgan, Miller, Cole, Osage, Maries, Gasconade, and Franklin Counties, Missouri, (1) between milepost 215.325, near Windsor, Missouri, and milepost 71.6 near Beaufort, Missouri, and (2) between mileposts 263.5 and 262.906 near Pleasant Hill, Missouri. A map of the rail line subject to this docket is attached.

Pursuant to 49 CFR §§ 1152.29(a)(2) and 1152.29(h), MCRR and MDNR hereby certify that the ITUA includes provisions requiring MDNR, the trail sponsor to be responsible for (1) managing the right-of-way; (2) any legal liability arising out of the transfer or use of the right-of-way; and (3) the payment of any and all taxes that may be levied or assessed against the right-of-way.

Respectfully submitted,

Sandra L. Brown
